AREÁL SVATOVÁCLAVSKÉ VINICE A VILLA RICHTER / ST. WENCESLAS' VINEYARD AND VILLA RICHTER

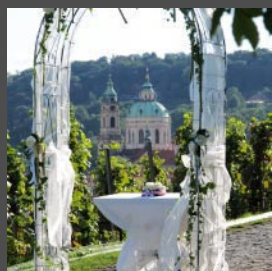

Restaurace Villa Richter se skládá ze dvou navzájem propojených prostor – Piano Nobile a Piano Terra, které je možné využít separátně nebo jako celek pro akce většího rozsahu.

Díky možnosti uzavření celého areálu Svatováclavské vinice jsme schopni uspořádat společenské nebo kongresové akce v celkové kapacitě blížící se 800 hostů.

The Villa Richter Restaurant is composed of two interconnected areas – Piano Nobile and Piano Terra, which can be utilized separately or as a whole for larger events.

Given the size of the St. Wenceslas' Vineyard complex and the possibility of retreating from the rest of the world, there is a wide range of services to cope with social and conference events with a capacity of close to 800 guests.

V unikátním sklepení, vytesaném ve skále na které stojí Pražský hrad, je uloženo více než 700 druhů vzácných vín. Vedle světově proslulých vín je tu uložena i celá řada výborných vín z méně známých vinařských oblastí.

The unique cellar carved into the rock on which Prague Castle stands boasts more than 700 types of choice wines. Besides world-famous wines, we also have a number of excellent wines from lesser-known wine regions.
